

Monitor Controls

Pinnacle Series

Pinnacle Series

The Pinnacle Series incorporates three 1/8" thick layers stacked to give the appearance of old style elegance. The triangular top and bottom allow this series to be used in the narrowest of returns.

Materials Available

Stainless Steel
Muntz
Bronze

Finishes Available

#4 Brushed
#6 Brushed
#8 Mirror
Oxidized

Button Styles Available

We offer a wide variety of button styles for all fixtures. Call for more information.

Custom Sizes Available

Monitor Controls will manufacture fixtures to custom sizes & depths within limitations.

Note: Picture on opposite side depicts muntz #4 brush finish with 1" diameter tamper resistant buttons.
